Requirements include completion of a provisional program, payment of dues, attendance at monthly general meeting, commitment and completion of an application.

JLSB is an organization of women committed to promoting volunteerism and improving the community. JLSB has been a driving force in the Space Coast community since 1966, addressing the needs of at risk women and children. Current projects include Fueling Kids and Kids in the Kitchen, focusing on improving the health of children through nutrition and physical activity by means of trained volunteers, financial support, and community awareness and partnerships. As part of the efforts, JLSB is also supporting the Children's Hunger Project, which provides hungry young people on the Space Coast with weekend food backpacks with a goal of ensuring elementary school-age children do not have to experience hunger and malnutrition.
