INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Junior League of South Brevard, Inc.
Melbourne, Florida

We have audited the accompanying financial statements of Junior League of South Brevard, Inc. (a nonprofit organization), which comprise the statements of financial position as of May 31, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Junior League of South Brevard, Inc. as of May 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

JUNIOR LEAGUE OF SOUTH BREVARD, INC.
NOTES TO FINANCIAL STATEMENTS
May 31, 2015

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Junior League of South Brevard, Inc. (the Organization) is a non-profit organization located in Melbourne, Florida. The Organization consists of women committed to promoting voluntarism, developing the potential of women, and to improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable. Its office is located in Melbourne, Florida and employs one individual.

The Organization is funded through membership dues, fundraising, and private donations.

Financial Statement Presentation

The Organization has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205, *Not-for-Profit Entities – Presentation of Financial Statements*. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions are satisfied in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When the purpose has been fulfilled or upon the expiration of time restrictions, temporarily restricted net assets are reclassified to unrestricted net assets. As permitted by the Standard, the Organization does not use fund accounting.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions are satisfied in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. For the year ended May 31, 2015, the Organization did not have any promises to give.

Contributed Goods and Services

During the year ended May 31, 2015, the Organization was the recipient of contributed goods, facility use, and services. Contributed goods and facility use are recorded at their estimated fair market value on the date of receipt. Contributed services are recognized as contributions if the services: (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise have been paid for if not provided by donation. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could vary from the estimates that were used.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments and certificates of deposits purchased with a maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are recorded monthly when invoices are issued and are presented in the statement of financial position net of allowance for doubtful accounts. Accounts receivable consisted of amounts due from current members. Based on this factor and management's experience, the Organization considered all accounts receivable collectible, therefore, the allowance for doubtful accounts for years 2015 and 2014 was \$-0-.

Property and Equipment

Property and equipment are stated at cost. Depreciation of property and equipment is computed using the straight-line method over the estimated useful lives of the assets, which are generally from three to seven years.

Contributions

Contributions received, including unconditional promises to give, are recognized as revenue at fair value upon the receipt of the earlier of either: (i) unconditional pledges or commitments or (ii) cash or other assets. Contributions are considered available for unrestricted use unless the donors restrict the use thereof, either on a temporary or permanent basis. Contributions to be received after one year are discounted at an interest rate commensurate with the risk involved. Bequests are recognized at fair value at the time the will is declared valid.

Revenue Recognition

Revenue includes membership dues, fundraising, and private donations. Membership dues are recognized as earned income in the fiscal year for which the dues are invoiced. Fundraising and private donations are recognized when received.

Functional Allocation of Expenses

The cost of providing various programs and other activities has been summarized on a functional basis in the Statements of Activities and the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting service benefited.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. No provision has been made for income taxes for the years ended May 31, 2015 and 2014.

FASB ASC 740, *Accounting for Income Taxes*, prescribes a recognition threshold and measurement attribute of the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return.

Management evaluates the Organization's tax positions on an annual basis, both past and current. If management determines that a past or current tax position is uncertain then a tax liability is calculated to represent the increase in taxes anticipated upon examination. As of May 31, 2015, management has determined that all past and current tax positions were likely to be realizable and sustainable upon examination and that the calculation of a tax liability was not necessary.

Tax years ended May 31, 2013 through 2015 remain subject to possible examination by the Internal Revenue Service.

Advertising Costs

The Organization expenses advertising and promotional costs as they are incurred. Advertising and promotional costs charged to management and general and fundraising expenses for 2015 and 2014 were \$29,354 and \$18,746 respectively.

Presentation of Certain Prior Year Information

Certain reclassifications have been made to prior year amounts to conform to the current year presentation. These reclassifications have no effect on net assets.

NOTE 2 – CONCENTRATIONS OF CREDIT RISK

Cash Balances

The Organization maintains cash and cash equivalents at Wells Fargo Bank. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At May 31, 2015, the Organization had no uninsured cash balances. Bank balances differ from the cash balances reflected on the financial statements due to reconciling items.

Revenue Concentration

The Organization receives a significant portion of its revenues from its signature fundraising event. Revenue from this single event accounted for 51% and 53% of its total annual revenue for 2015 and 2014. No amounts from the event were considered receivable at May 31, 2015 and 2014.

NOTE 5 – DESIGNATED UNRESTRICTED NET ASSETS

As a method of budgeting for future needs and events, the Board of Directors has elected to set aside or designate funds to meet these needs. Funds may be used to fund a specific program when all the following requirements have been met; [1] approval by 2/3 of the members of the Board of Directors, [2] approval by 2/3 of the general membership, and [3] the submission of a specific plan to replenish the reserve fund.
